Our Youth, Our Future Survey To Be Conducted at Trinity Valley Elementary

The week of December 5, 2016, students in 7th & 8th grades will be participating in the **Our Youth, Our Future** survey in cooperation with the Tri-Ethnic Center for Prevention Research at Colorado State University. The funding for the administration of the survey comes from a federal grant awarded to the Tri-Ethnic Center, which allows the survey to be conducted at no cost to the school. Participation in this survey is voluntary. Parents who wish to withdraw their child from participating may do so by contacting Tayshu Bommelyn, Principal, at 530-625-5600. In addition, a copy of the survey is available at the school for parents who would like to review it. Trinity Valley Elementary believes that students' participation in this survey will assist the school in planning, funding and evaluating drug and alcohol prevention programs.
