

Trinity Valley Families,

We have exciting news! Our school board voted to move into Phase 5 of the Hybrid Learning Plan. On Monday, May 3<sup>rd</sup>, instructional minutes will increase. Students will remain in their cohorts for this part of the plan. However, they will attend school from 8:30 am- 1:00 pm. This is an increase in hours, not days. If your child is in Cohort A, they will attend school on Monday's and Tuesday's 8:30-1:00. If your child is in Cohort B, they will attend school on Thursday's and Friday's 8:30-1:00.

Additionally, the afterschool program (ASES) will also be changing their hours. Students who participate ASES will be attending the program from 1:00 pm- 4:00 pm. There is no available transportation for ASES students.

If your child has not participated in on-campus instruction and you are interested in signing your child up, please call the front office and we will work with the teachers to include your child in the schedule.

This year will go down in the record books as one of the most challenging. As a parent, I empathize with you. However, we are one-step closer to a full opening. Keep working on packet work. It's important that we remain diligent as we enter the last six weeks of school. Summer Learning Opportunity paperwork will be in your child's Monday packet. If you are interested in summer school, please fill out the paperwork right away and return to the front office.

See you Monday for packet pick-up!
